PTE Questions And Timings -

1. **Speaking and Writing Section** - In Speaking and Writing, you will have in between 77-93 minutes with multiple recordings approximately 40 questions.
2. **Reading Section** - you will have in between 32-41 minutes depending upon the questions you received, 1 text per question and you have approximately 18 questions.
3. **Listening Section** - Now in the final section, there will be anywhere from 45-57 minutes. There will be listening to 1 question and there are approximately 20 questions.

There are two scoring patterns in PTE Academic:

1. **Correct or incorrect** - Some question types are graded based on the correctness of the response. If the response is correct, one will get complete grade else no credit will be awarded. Example of this question type is multiple choice question (single option).
2. **Partial Credit** - According to partial credit, if the response is partially correct, partial grade will be awarded. Read aloud is an example of this scoring type.
